Alpert Barr & Grant Celebrate their 25 Year Anniversary

Alpert, Barr & Grant APLC has been serving the legal needs of the manufactured housing industry for over 25 years. Established in 1976, the firm's practice has grown into a full service law firm that handles matters involving business and real estate litigation; business and transactional matters; data security, mobile app and online privacy laws; banking, lender and creditor's rights; mediation and arbitration; and government relations. For the manufactured housing industry, the firm represents financial institutions, lenders, servicers and creditors in matters involving bankruptcy, evictions, foreclosures, park disputes, loan documentation, lease negotiations, governmental compliance, regulatory obligations and much more.

Gary L. Barr, an attorney and shareholder with Alpert, Barr and Grant, joined the firm in 1982, after working at the Los Angeles City Attorney's Office. With over 35-years of legal experience Gary has served as Judge Pro Tem, Court-Appointed Referee and mediator for many years. He has been actively involved with CMHI since 1992 and has served in various capacities including multiple times as Chair of the Board of Directors, and presently, as the organization's Secretary and Chair of the Legislative Committee. His work with the CMHI has also been recognized numerous times, including being honored with the 2010 CMHI President's Award, and the organization's highest honor, the Jack E. Wells Memorial Award for outstanding leadership and service to the manufactured housing industry.
