*Dear Clients, Colleagues, and Friends:*

On April 1, 2021 Shenon Law and Alpert, Barr & Grant will become one firm. Individually we made a difference; now watch us make change!

Although both law firms have enjoyed great success, this merger is a marriage of very likeminded attorneys dedicated to serving their clients and facilitating the most successful outcomes. Together we will provide excellent counsel in diverse areas of law and collaborate with each client to achieve the best results.

The combined practice will continue operating under the name of Alpert, Barr & Grant as we work to develop and unveil an updated look for our new legal family. Gary Barr, Adam Grant and Natela Shenon will lead the combined practice as its equity shareholders.

Thank you for joining us in celebrating this major milestone as it provides a very exciting opportunity for us and our clients. We look forward to providing our clients with a range of expertise and a quality of service unmatched by any other business law firm in the San Fernando Valley. *Our new location is 15165 Ventura Boulevard, Suite 200, Sherman Oaks, CA 91403.*

Sincerely,

*Gary Barr Adam Grant*

Gary Barr, Esq.
