Re: "40 under 40"

Dear Alex:

On behalf of the San Fernando Valley Bar Association, it's members, trustees, and officers, I wish to extend our sincere congratulations to you for being selected as one of the up and coming lawyers among the top forty attorneys, under forty years old, selected by the San Fernando Valley Business Journal each year. Founded in 1926, the San Fernando Valley Bar Association includes more than 2000 lawyers living, working, or otherwise connected to the San Fernando Valley.

Our Bar Association wishes to congratulate you not just for being selected in the "40 under 40," but for the reasons you have been selected: not only because of your talent as a lawyer in the areas of practice you focus on, but for your noteworthy participation and contributions to Valley Organizations outside your firm that display a high level of community service and involvement.

We have every confidence in your continued success in your endeavors.

Respectfully,

Gerald L. Fogelman
Correspondence Secretary
