

Super Sunday

*Adam Grant & Penny Spark,
Valley Alliance Super Sunday Co-Chairs*

The Jewish Federation raised more than \$4.5 million on Super Sunday, the L.A. Jewish community's single biggest fundraising day of the year, with 450 volunteers calling other community members at both Federation headquarters on Wilshire Boulevard and at our Valley Alliance in West Hills. Special thanks to Super Sunday Co-Chairs Barak Raviv and Reuben Robin, and Valley Alliance Super Sunday Co-Chairs Penny Spark and Adam Grant for their hard work, dedication and leadership. In addition to our lay leadership and army of motivated volunteers, the entire Federation staff worked tirelessly to make the day a success on behalf of the community.
